

Lesson Plans for April 6th – April 24th

Hello 5th Graders,

I hope you find these lesson plans to be helpful and not overwhelming. If you need help please email or call me at 991-3332. I will do my best to help. Also it is very important to send me your work so I can grade it and let you know how you are doing. On Friday, my plan is to do a video conference call from 8:30 – 9:15. You are not required to participate in the call but please do if you can. This will be a good time to ask questions and check in.

These lessons are all on Google classroom.

April 6th and 7th

Watch the video I posted on Multiplying and Dividing by Powers of 10 and then complete pages 196 and 197 in your math journal.

Journal page 198 is optional you can complete it if you want to. It will not be graded but I will provide feedback if you'd like.

April 8th

Watch the video on constructing Line Plots and complete pages 205, 206, & 207.

April 9th and 10th

Watch the video on Multiplying Fractions (this is a review). Then complete journal pages 210 and 211.

Optional on Friday - video conference call at 8:30 ☺

Make corrections and catch up on any work you may owe.

April 13th

Watch the video on Estimating Decimals and then complete pages 217 & 218.

April 14th and 15th

Watch the video on Multiplying Decimals. Then complete journal pages 219 & 220.

Optional if you'd like to complete page 221 you can. It will not be graded but I will provide feedback if you'd like.

April 16th

Complete the worksheet multiplying decimals. Worksheets are in the packet and they can also be found on Google classroom and our Weebly.

April 17th

Make corrections and catch up on any work you may owe.

Optional - Join the video conference at 8:30;

April 20th and 21st

Watch the video on Dividing Decimals by Whole Numbers. Then complete journal pages 224 & 225.

Optional - You can complete page 226. Again it will not be graded but if you complete it I can provide feedback if you'd like.

April 22nd and 23rd

Complete the worksheet dividing decimals.

April 24th

Make corrections and catch up on any work you may owe.

Optional – Join the video conference at 8:30.

Have a wonderful vacation!!
